

## Veterans Home - Chippewa Falls

### Updates for Family & Friends

#### Updates for Family & Friends -

I am so grateful for the resiliency your family has continued to show throughout all the changes brought on by this pandemic. The compromises you have so willingly made do not go unnoticed and are immensely appreciated by everyone in the Veterans Home family.

Your ongoing support has helped secure the wellness of our community thus far. It is my sincere pleasure to share we continue to have zero diagnosed COVID-19 cases among our members and staff.

To protect the most vulnerable to COVID-19, the CDC and CMS has revised testing requirements for the staff of long-term care facilities as well as their affiliated third-party providers. We will be testing our staff at the Veterans Home on a routine basis, which for us right now will be weekly. This is another important step we are taking to keep your loved ones as safe as possible.

Thank you for allowing the Veterans Home the privilege of serving your family. Please do not hesitate to call us with any questions, comments, or concerns. We appreciate your support.
